

## UNIVERSITY OF CALIFORNIA

Campus:	Irvine
Project Name:	Humanities Building
Project Description:	This project will construct a new facility to provide additional space for the School of Humanities. The facility will address existing and projected space deficits by providing instructional and research space, including open laboratories, and academic and administrative office space. In addition, the project includes replacement space for two general assignment classrooms, and dedicated rooms for the Disability Services Center to provide test-taking accommodations for students with physical, medical, or learning disabilities.
