

UNIVERSITY OF CALIFORNIA

Campus:	Santa Barbara
Project Name:	Phelps Hall Renovation
Project Description:	This project is the second of a multi-phase plan to address enrollment growth on the Santa Barbara campus. At the completion of construction of the Education and Social Sciences Building, approximately 90,000 asf of space in Phelps and Ellison Halls will be released for reassignment to five other academic disciplines. This project will renovate space in Phelps Hall for modern specialized teaching and research laboratories, correct code deficiencies and upgrade major building systems.
